

November 8, 2018

To: All Participants of the Singing River Health System Employees' Retirement Plan and Trust

Dear Plan participants,

REMINDER - Please mark your calendars for the afternoon of Friday, November 16th

Troy and I will be presenting at two meetings on that day to give you an update on the financial status of the Plan and to answer questions.

Spoiler alert! The Plan investments are doing well and no recommendation to further reduce benefits is forthcoming.

I'll be meeting with participants who are still employed at SRHS. That meeting will be at the Ocean Springs Hospital, Education Center – 2nd Floor from 3:00 pm – 4:00 pm.

Then I'll be meeting with Retirees and other plan participants or beneficiaries at the Pelican Landing Conference Center, 6217 MS-613, Moss Point, MS from 5:30 – 6:30 pm.

These meetings will be video-taped and made available via this website for those who cannot attend in person. I hope to see you there.

Troy Miller is your direct point of contact for information. His e-mail address is tmiller@mccloudandassociatesinc.com.

I am and will continue to be working for you.

Sincerely,

A handwritten signature in black ink, appearing to read "Traci M. Christian".
